NIC ART

Nicole Schürer hat 2009 an der renommierten Londoner Kunsthochschule Central Saint Martins University of the Arts, ihren „Bachelor of Fine Art“ erworben.

Nach Aufhalten in New York und London kehrte sie 2010 in ihre Heimatstadt Wien zurück, wo sie als freischaffende Künstlerin tätig ist und regelmäßig an internationalen Kunstmessen und Ausstellungen teilnimmt.

Ihren einzigartigen Stil mit Ölpastell und Acryl zu arbeiten hat sie aus der Schokolademalerei entwickelt. Die Darstellung menschlicher Ausdrücke und Spannungen, sowie deren Interaktionen durch das Spiel mit präzisen und kräftigen Linien, ist ihr unverwechselbares Markenzeichen geworden. Der Fokus liegt dabei in der Auseinandersetzung mit dem eigenen Körper, dem modernen Bild der Frau, sowie interessanten Gesichtern und Gestalten.

Durch die Verwendung extremer Kontraste von Schwarz und Weiß, will sie die Konzentration auf bestimmte Teile des Gesichts oder Gesichtsausdrücke lenken. Wie ein Sonnenstrahl oder ein Energieblitz verstecken, umspielen, verbinden oder verstärken vorwiegend gelbe Akzente aus Acryl die Bildaussage.

NIC ART

In 2009 Nicole Schuerer received her bachelor of Fine Arts at the renowned art school Central Saint Martins University of the Arts London.

After living in New York and London she returned to her hometown Vienna in 2010, where she is a practicing artist regularly exhibiting at international art fairs and exhibitions.

Her unique style to paint with oil pastels and acrylics, developed from painting with chocolate.

Playing with precise and intense lines to capture human expressions, tensions and interaction became her distinct trademark.

The interaction with her own body, the modern woman, interesting facial expressions and characters became her main focus.

She uses extreme contrasts of black and white to center the attention on parts of the human face or facial expression. Predominantly yellow acrylic accents, like sunbeams or flashes of energy, hide, play, connect or enhance the subject.
